

Commercial Contracts

Our team at Burr & Forman has a long history of helping clients with the commercial contracts. Whether assisting a large manufacturer with its Contract Lifecycle Management or a general contractor with its project agreements, we have regular experience with a variety of contract types, including:

- Agreements for the purchase & sale of goods
- Bills of sale
- Blanket terms & conditions (goods)
- Crane contracts
- Custom broker service agreements
- Master equipment leases
- Master services agreements
- Purchase order terms & conditions
- Scrap handling contracts
- Supplier contracts
- Transportation contracts for secondary carriers
- Transportation services agreements
- Vendor-managed inventory
- Consignment agreements
- Distributor agreements
- Equipment lease agreements
- Equipment sales agreements
- General sales terms & conditions
- Master sales agreements
- Product sales agreements
