

International Contract Arbitration

Burr & Forman's international contract arbitration team offers clients experience, knowledge, representation, and guidance through all stages of dispute resolution arising from international commercial agreements and other international relationships.

We assist a variety of clients in various industries including engineering, manufacturing, and construction from pre-arbitral negotiations to settlement or trial. Our team includes attorneys who are knowledgeable in various jurisdictions and a wide variety of international laws.

Burr's team is experienced in international arbitration matters on damage-based terms such as:

- American Institute of Architects (AIA) construction documents & similar construction & engineering documents
- Commercial claims and collection matters for handling under damage- based terms for international arbitration in the English language worldwide
- Commercial contract claims based on Disadvantaged Business Enterprise (DBE) terms for select cases
- Commercial equipment claims & delay claims
- Construction-related collections under FINRA
- Engineering & design claims
- Equipment claims
- Manufacturing equipment claims
- Material & equipment claims arising from commercial claims
- Processing line claims
- Scope claims
